RE: Bikeway Improvements Informational Meeting

Dear Resident:

You are invited to attend an informational meeting at 7 p.m. on Thursday, April 12, for an update on the proposed bikeway improvements that is being planned for West 54th Street, Wooddale Avenue and Valley View Road. The open house will be held at the Edina Public Works & Park Maintenance Facility, 7450 Metro Blvd.

As you may recall, on October 6, 2011, you may have attended the first open house where you learned about Edina's Bike Plan, the funding source for this project, and Transit for Livable Communities.

If you cannot attend the informational meeting and have questions please contact me by phone at 952-826-0443 or email whoule@edinamn.gov.

Regards,
